## Announcement Restructuring of the controlling shareholder

Due to a restructuring of state-owned enterprises by the Zhejiang Provincial Government, Provincial Investment Co. which is the existing controlling shareholder of the Company will be replaced by Communications Investment Group.

### Restructuring of the Controlling Shareholder

The Zhejiang Provincial Government is conducting a restructuring of its state-owned enterprises. As part of the restructuring, Provincial Investment Co will be replaced by Communications Investment Group pursuant to a notice dated 2nd July, 2001 issued by the Zhejiang Provincial Government (Zhe Zheng Fa [2001] No. 42) at nil consideration. As a result the existing shareholding of Provincial Investment Co. in the Company, which amounts to approximately 56 per cent of the issued share capital of the Company will be held by Communications Investment Group.

The shareholding structures of the Company immediately before and immediately after the said replacement are illustrated in the simplified corporate charts below:

Communications Investment Group is a state-owned enterprise which was established by Zhejiang Provincial Government through Zhejiang State Assets Management Commission. It is the business entity for the Zhejiang Provincial Government in the transportation industry. Communications Investment Group was established on 29th December 2001. The registered capital of Communications Investment Group is RMB5,000,000,000. It is principally engaged in investment, operation, maintenance and toll collection of transportation infrastructure, construction of transportation projects, carrying out of construction works and management of relevant material, provision of transportation and logistics services and making of other investments.

The replacement of Provincial Investment Co. by Communications Investment Group as the controlling shareholder of the Company is subject to the approval of and registration with the relevant PRC Government authorities. Immediately after the obtaining of the relevant approval, Communications Investment Group will be interested in 56% of the issue share capital of the Company and become the immediate controlling shareholder of the Company within the meaning of the Listing Rules.

Since the H shares of the Company are listed on The Stock Exchange of Hong Kong Limited, the replacement of Provincial Investment Co. by Communications Investment Group as the controlling shareholder of the Company may lead to an obligation under Rule 26.1(a) of the Takeovers Code for Communications Investment Group and parties acting in concert with it to make a general offer to the holders of the shares in the capital of the Company. However, since the said replacement will not result in any significant change in the ultimate controlling shareholding by Zhejiang State Assets Management Commission and the Zhejiang Provincial Government in the Company, application has been made to the Securities and Futures Commission for the granting of a waiver from the requirement for making a general offer by Communications Investment Group and parties acting in concert with it for all the shares in the share capital of the Company.
